

CUTSHEET

SUBSURFACE / *MatureAge™* COLORANT / QUICK-DRY

GREEN UMBRELLA® ColorFlash

COLOR QUICK AS A FLASH Green Umbrella® ColorFlash™ is an interior, subsurface, translucent, pH neutral, non-acid, solvent-based concrete colorant. Introduced into any abrasively profiled concrete surface for color that is vibrant and crisp. The powdered salt-pigment formulation produces a unique color option for architectural concrete. Mixed with VOC-exempt, non-acid, Acetone as a carrying agent, ColorFlash™ introduces the colorant into the concrete as “Quick as a Flash”. The quick-to-dry surface cuts downtime during installation, making it the right choice for color patterns and logos. Choose from more than twenty solid colors to produce a beautiful, mottled appearance. Apply a single S.O.L.O.™¹ application for a translucent mottled appearance dyed concrete surface, or layer it and combine for endless color possibilities. It is critical to Protect ColorFlash™ from oxidation with CrossOver™ densifiers such as DryShield™ and Colorguard Shield & Enhance™ to prevent color loss. ColorFlash™ changes any bare concrete canvas into a work of art!

VERSATILE ARCHITECTURAL APPLICATIONS

Ideal for interior, vertical or horizontal Decorative Concrete Applications such as retail spaces & show-rooms, restaurants, offices, lobby areas, museums, municipalities, airports, hospitals, schools, fire-stations or wherever indoor concrete surfaces are maintained.

EASY TO INSTALL - SIMPLE TO MAINTAIN

ColorFlash requires mixing with Acetone. Easily apply S.O.L.O.™¹ with a GU recommended acetone safe sprayer for coverage of 400-600 SF per gallon. Proceed with abrasive cuts and Colorguard like Shield and Enhance and wear-guard like Interior Microfilm to avoid fading. To maintain, simply damp mop, auto scrub, and periodically burnish using Green Umbrella Life Cycle™ maintenance system treatments.

CUT LABOR

- S.O.L.O.™¹ application
- Single Installer
- Replaces laborious epoxy colorants

CUT DOWNTIME

- 10 second dry time
- Immediately ready to traffic & abrasive cut
- Immediately ready for treatment application

CUT ENVIRONMENTAL IMPACT

- VOC complicate solvent base acetone
- pH neutral
- Alternative to off-gassing flooring

¹Spray-On, Leave-On ²Ready-To-Use

PACKAGING

5/PAIL

55/DRUM
