

SUBSURFACE / WATER RESISTANT HARDENER/ SALT RESISTANT SEALER

GREEN UMBRELLA® SHIELD & PROTECT

RESISTING SALT & PREVENTING CORROSIVE BREAKDOWN

Green Umbrella® Shield & Protect™ is an industrial grade, surface and subsurface protectant that penetrates concrete, chemically bonding to produce a uniquely protected wear surface. Treated concrete is dust-proof, harder, denser, and exceptionally resistant to the damaging effects of water and salt with up to 91% chloride prevention. Shield & Protect is specifically engineered to preserve @EarlyAge concrete and prevent degradation due to common enemies such as de-icer and freeze/thaw cycles, significantly increasing concrete life-cycle. The Shield & Protect environmentally friendly formulation does not require rinsing and removal, saving considerable time and money, eliminating hazardous waste disposal issues while providing lasting protection that dramatically reduces your company's impact on the environment.

CUT LABOR

- S.O.L.O.¹ applications and R.T.U.² treatment
- Eliminate multiple applications needed from similar products
- Alternative laborious flooring solutions

CUT DOWNTIME

- 20 minute dwell time
- Short dry time
- 3 hour to traffic & abrasive cut

CUT ENVIRONMENTAL IMPACT

- Epoxy alternative & optional product reduction
- Extends life cycle of concrete
- No VOC

¹Spray-On, Leave-On ²Ready-To-Use

Green Umbrella® Shield & Protect™ is an industrial grade, surface and subsurface protectant that penetrates concrete, chemically bonding to produce a uniquely protected wear surface. Treated concrete is dust-proof, harder, denser, and exceptionally resistant to the damaging effects of water and salt with up to 91% chloride prevention. Shield & Protect is specifically engineered to preserve @EarlyAge concrete and prevent degradation due to common enemies such as de-icer and freeze/thaw cycles, significantly increasing concrete life-cycle. The Shield & Protect environmentally friendly formulation does not require rinsing and removal, saving considerable time and money, eliminating hazardous waste disposal issues while providing lasting protection that dramatically reduces your company's impact on the environment.

VERSATILE ARCHITECTURAL APPLICATIONS

Ideal for **interior** or **exterior**, vertical or horizontal concrete, precast or cementitious surfaces. Demanding Applications, warehouse/distribution centers, food service, parking decks, garages, hospitals, or similar, retail spaces & showrooms, restaurants, business offices, lobby areas, museums, municipalities, airports, hospitals, schools, fire-stations, or most concrete surfaces.

EASY TO INSTALL - SIMPLE TO MAINTAIN

Shield & Protect is shipped R.T.U.^{**}, no mixing required. Easily apply S.O.L.O. with a GU recommended sprayer for coverage of 250-800 sq. ft. per gallon and spread with GU recommended roller. Indoor use maintenance: simply damp mop, auto scrub, and periodically burnish using Green Umbrella Health Sentinel Life Cycle™ maintenance system treatments.
